Dear Parents/Carers

**Re: Site safety**

The welfare and safety of all in our school community is of the highest importance. In order to ensure that all members of our community remain safe as they enter and leave the school site, staff are posted at key duty points.

Recently, a member of staff was injured by a car whilst on duty on the bus park. Fortunately, on this occasion, the member of staff was not seriously injured. This incident, however, highlights the potential for a more serious accident to occur, possibly seriously injuring a student, if motorists do not follow the instructions of duty staff.

We should like to take this opportunity to remind all motorists entering or leaving the school site that they should follow the instructions of duty staff. Motorists should also observe the signs near the entrance to the bus park which clearly indicate the 5mph speed limit, the route for cars through the centre of the bus park and the bus-only areas.

We are sure that the school can count on your full support to ensure the safety of all on our school site.

Yours faithfully

John Dowler  
Headteacher

Jonathan Finchett  
PCSO Helsby

Neil Flanagan  
PCSO Frodsham
