12 December 2016

Dear Parent/Carer 6th Form students,

Year 12 and Year 13 January exams

I am writing to you regarding the format and timings of the Year 12 and Year 13 exams, which take place in January.

The dates of the exams are as follows:

Year 12 – Monday 16 January – Friday 20 January

Year 13 – Monday 23 January – Friday 27 January

In order to prepare students in the best possible way for the external AS and A-level summer exams, all of the January exams will take place in the Main Hall and will be invigilated under exam conditions.

Students will be on study leave for the week of their exams and will only be required to come into school when they have an exam.

This does not apply to **Year 13 BTEC Engineering and BTEC IT students** who will have **lessons as normal**, as there are no exams in these subjects.

We will publish an exam timetable before the end of term, with days and times of each paper.

The January exams are an opportunity for students to test themselves under exam conditions with A-level standard questions. It is crucial that students prepare well for these exams so that they and we get an accurate picture of their current progress in each subject.

Please do not hesitate to contact me at school if you have any further queries about the January exams.

Yours sincerely

I Duffell (Mr)
Director of 6th Form
