

July 2015

Dear Parents/Carers,

As all schools will shortly be closing for the six week summer holidays, we want to share with you a support that is available to all families during this period. Schools across Cheshire West and Chester have agreed to share this information with all the families in our schools. It may well be that many of you will not need to use the support detailed here but we want to ensure that every family with pupils in our school is well informed and has this information should it be required.

West Cheshire Foodbank is a local charity which supports parents/carers who find it difficult to feed their families during challenging times. Obviously, the long summer break can be a difficult time, especially for families who rely on school meals during term time to provide a regular healthy meal each day. If you are worried about how to provide enough food for your family over the six week break it is possible to use a food voucher to obtain enough food for 3 days from a local foodbank centre.

Although we appreciate that many families will not require this kind of support we'd like to thank you for reading about this. However, should you find yourself in a position where this support is needed over the summer break please do visit one of the agencies listed.

May I take this opportunity to wish you a safe and happy summer break.

Yours sincerely,

A handwritten signature in black ink that reads "J Dowler".

J Dowler
Headteacher

West Cheshire Foodbank is a registered charity in England and Wales no. 1150934.
