

English Department Parental Voice Feedback from Year 11 Consultation Evening 8th January 2013

We received 49 responses in total; 42 of the questionnaires responded with either agree or strongly agree with only 7 questionnaires answering 'disagree' to a very small number of questions.

Analysis

The response was positive with 86% of questionnaires responding positively to all questions. Of the 7 questionnaires that included a negative response 89% of the questions were answered positively.

The areas that parents were unhappy with consisted of:

- 'My child receives appropriate homework': 2
- 'My child receives the right amount of homework': 3
- 'Rewards and sanctions are being applied fairly and consistently': 1
- 'My child is being taught well': 1 but this was explained by the parent as being due to staffing changes

91% of responses were positive about the Learning and Teaching experienced by their children

We also received some additional comments:

'Excellent encouragement received by In this session – very positive to help him do his best'

'Excellent feedback from teacher'

'....enjoys English classes'

'Extremely helpful with revision advice'
