Please use the space below to make any other relevant comments or suggestions:

- Excellent activities and extra-curricular opportunities
- Not sure of all of the opportunities available but my child does a lot of learning at home
- Not sure what this form is for – it makes no sense at all
- Not aware of the opportunities outside school for enrichment
- HHS doing exceptionally well in all areas – no complaints
- Not sure what outside learning this is focused on, my child does netball after school and has been on the ski trip
- At times feedback appears generic
- We would like to see more after school clubs, especially those other than sport e.g. drama, animation, lego, warhammer, chess
- I have no opinion about this as I have no idea what is going on
