Q12 Strongly recommend for High School, but not for 6th Form.

School does not offer a wide range of extra-curriculum/enrichment activities in subjects that my child needed for their career. Also I think the way in which some of my child's teachers have been very anti other 6th form colleges has been unprofessional and unnecessary.

On the whole very pleased with the school. However the inconsistency of teaching staff and use of different substitute teachers in chemistry and physics is hugely concerning and needs to be appropriately addressed without delay

My child feels he has repeatedly raised bullying issues and they are not followed through.
He tries many approaches but none ever lead to help

Q6 Hardly any homework is given in Yr 10 & 11 - we do not mind - its fine by us.
