Very Good / Thank you for an early indication of progress / The meeting was useful – I would welcome these on a regular basis / Pleased to know that the school is there to help and support me with my daughter in any capacity / Daughter's targets are clear so there wasn't really a need for 'better understanding'. Great to have ready access to staff to support with issues – very welcome / Subject Staff explained everything and has taken on board issues raised – thank you / Raised a point during conversation about an issue that affected my daughter early in term, she was moved blocks and we felt the reasons why should have been explained to her
