Comments:

1 My Maths login must be more robust

2 Our daughter enjoys school very much and is fully supported in her development

3 It would be useful to have the child's report issued before Parents Eve

4 As the major upcoming language, Spanish would be an excellent addition to the curriculum

5 The wide range of opportunities you have already offered my daughter has been fantastic - she is very happy here and happy children learn. Thank you

6 (Referring to Q10)My son mentioned a desire not to be a 'nerd' and appeared to regard detention with high regard! Are they effective enough if dished out too regularly?

(Referring to Q4) I would prefer good rather than enough! Shouldn't they and the school be aiming for as much as possible?

7 I don't feel that Parents' Evening is soon enough in the year and also next week's report will now be redundant. I have had very good dealings with teaching staff so far but have found the admin/finance staff unhelpful when purchasing a violin via the school

8 We're really pleased with everything so far except the quality of the food in the Canteen - not as healthy as we were led to expect

9 Have emailed the school and this has not been answered using email from your child in school (MCAS?)

10 Just shouted at on arrival - "name and class". A greeting would have been nice - a little abrupt

11 We have been given hints and strategies tonight to aid her learning, however, no previous advice to support her learning has been given. Parents' Evening after reports are given out would be beneficial as it would allow me to see the subjects where more support is needed.
