Dear Parents/Carers

Re: Traffic concerns – A56

It has come to our attention that a small minority of parents and carers are putting the health and safety of our students at risk when dropping off and picking up children at the front of school. Some vehicles have been observed doing 'U turns' in the school entrance, whilst others have been parking in the bus space on the main A56 road.

Whilst we recognise that this is a very small minority we feel it is important to remind all parents and carers of the need to drive safely on and around the school site and to be aware of the highway code, which stipulates that cars must not stop in the areas marked at the front of school, even for dropping off and picking up children.

We take the welfare of our students very seriously and we hope that we can count on your full support to ensure their safety around school at the beginning and end of day.

Yours Sincerely

Headteacher
