Dear Parent/Carer

Year 10 Internal Examinations

Year 10 internal examinations will take place from Monday 19th June – Tuesday 27th June.

Most examinations will take place in the Sports Hall under formal examination conditions and will be supervised by external examination invigilators. Examinations will take place for most subjects. If a subject is not on the timetable, there will be no examination in this subject. Your son/daughters' teacher will be able to clarify this with them, if they have any questions.

It is important that students and parents understand the guidance for these examinations and have access to the timetable. The Year 10 examination timetable is attached with this letter and can also be found on the school website. May I take this opportunity to highlight the 'Important Information for Candidates' guidelines on the Exams page of our school website, as this contains information that your son/daughter must follow.

There is additional information under the Exams page of the school website with regard to revision tips and techniques. However, we would strongly recommend the following websites, in addition to any revision advice given to students by their subject teachers:

<http://www.doddlelearn.co.uk/>

<http://www.bbc.co.uk/bitesize/GCSE>

I would like to advise you of the GetRevising website (<https://getrevising.co.uk/>). This website is free to use and allows students to create their own revision timetable, along with providing a range of resources for all GCSE subjects. I would hope your son/daughter uses their time during the half term break to create a revision timetable and starts to prepare themselves for the examinations.

Results from the exams will be released to students as soon as possible. Your son/daughter and you, will receive their end of year report containing all of the results on the week commencing Monday 17th July.

If you have any questions regarding the Year 10 internal examinations please do not hesitate to contact the Year 10 Leader, Miss Wilkes via year10Admin@helsbyhigh.org.uk.

I would like to take this opportunity to wish your son/daughter the very best of luck in their examinations.

Yours sincerely

Mr J A Cooney

Assistant Headteacher (Key Stage 4 Leader)
