

## Happy New Year!

There are lots of things planned for 2018 at Frodsham Community Centre and we can always find a job for new and regular volunteers.

There are 'vacancies' for bar work, gardening, painting and decorating, DIY, supporting meetings, planning and promoting events amongst many other opportunities to be a part of the Centre Community.

If you would like to try doing something different in 2018 why not get in touch.

Or drop us a line and we will get back to you.

## FCA Membership Update

We would like all FCA members to get in touch with us to confirm and/or update their membership details. There will be no cost involved for current members.

Please phone us on 01928 732222 pick up a form at the office or email [membership@frodcomm.org.uk](mailto:membership@frodcomm.org.uk) to request a membership renewal form. Completed forms can be left in the office.

We have also set up an on-line version of this form which you will find in the Membership section of our website [centre.frodcomm.org.uk](http://centre.frodcomm.org.uk).

It is important that we have an accurate list of members as, after almost 50 years in existence, we are looking to bring the structure of Frodsham Community Association up to date and before we do this we would like to consult with our members.

Currently the 'list' has over 600 names but suspect that with the passage of time people have moved on and membership has lapsed.

With your help we can make sure that FCA is fit to last another 50 years so please get in touch.

Thank you.

## Congratulations to Quiz team Universally Challenged.

The Centretainment team has a busy year planned with the Jumble Sale in March, another Quiz Night in April, a fashion show in May, the Downhill Run in July and Gin & Prosecco in September. Further details will be available soon. Our next meeting is on Monday 8th January at 7.30pm so come along and find out more.

## Ouch!

We'd like to wish Jean Littler our booking secretary, a very speedy recovery following a fall just before Christmas.

Jean is a vital cog in the booking system and we hope you will be patient if things are not quite as usual whilst volunteers try to keep up with the booking process and keep the caretakers up to date with room plans and who is coming in.

## Bookings in 2018

It would be a great help if all groups could confirm the dates when they are coming in, notify us of any changes to their bookings or if there are occasions when they will not be utilising their normal booking slot.

Groups and all users should also remember that rooms should be left "as you would like to find them". Prompt lists are by the door in each room for windows, locking, lights, heating etc. Our cleaners come in for general cleaning and not to clear up after groups.

It would also be very helpful if any group can speak with the caretakers about how rooms can be left after their own meeting. It is not fair to anyone coming in for the evening or afternoon and having to clear one setting before putting furniture out for themselves.

Thanks.
