John Dowler – retirement as Helsby High School Head Teacher

Dear Parents/Carers

Earlier this week I informed the Governing Body of my intention to retire as Head Teacher at Helsby High School from 1 January 2019. I have given this decision much thought, but I was born in 1958 and I feel that the time is right for me and the school.

It has been an honour and a privilege to work with so many good people: parents, students, staff, governors and others who work so hard to make Helsby High School the excellent school that it is. I would like to thank everyone for the support that you give to the school and myself.

The governors have begun the process to find a replacement and I am confident that with the strong leaders and good teachers across the school, Helsby High School will continue to thrive and that it will improve further. In the meantime, I remain Head Teacher until 31 December 2018 and I am sure that it will continue to be business as usual at Helsby High School as we build up to the exam season.

I would like to wish all our students well as they prepare for their public exams and I would like to thank parents and carers for supporting our young people to get the right balance between revision and relaxation.

Thank you for your continuing support.

Yours sincerely

John Dowler
Head Teacher
