To Parents/Carers

Dear Parents/Carers

Re: Traffic concerns

It has come to our attention that a small minority of parents/carers are putting the health and safety of our students at risk when dropping off and picking up children at the front of the school and along the A56. Some vehicles have been observed dropping off children and then doing 'U' turns on Godscroft Lane, whilst traffic is trying to enter the lane from the A56. Other vehicles have been doing 'U' turns on the yard of a private business, at the Helsby end of the school, at the end of the day and some parents/carers have had altercations with the business owners when challenged about their dangerous driving.

Whilst we recognise this is a very small minority of our parents/carers, we feel it is very important to remind you once again of the need to drive safely when close to the school. We would also like to draw your attention to the Highway Code which stipulates that cars must not stop in the areas marked in front of the school, even for dropping off and picking up children.

We take the safety and welfare of our students very seriously and hope we can count on your support to ensure their safety around school at the start and end of the day.

Yours faithfully,

John Dowler
