Dear Parent/Carer

Year 10 Internal Examinations

Year 10 internal examinations will take place from Monday 18th June – Monday 25th June.

Most examinations will take place in the Sports Hall under formal examination conditions and will be supervised by external examination invigilators. Examinations will take place for most subjects and the timetable is attached to this letter.

May I take this opportunity to highlight the 'Important Information for Candidates' guidelines on the Exams page of our school website, as this contains information that your son/daughter must follow, when in the Examinations Hall.

There is additional information under the Exams page of the school website with regard to revision tips and techniques. However, we would strongly recommend the following websites, in addition to any revision advice given to students by their subject teachers:

<https://www.gcsepod.com/>

<http://www.doddlelearn.co.uk/>

<https://www.bbc.com/education/levels/z98jmp3>

I would also like to advise you of the GetRevising website (<https://getrevising.co.uk/>). This website is free to use and allows students to create their own revision timetable, along with providing a range of resources for all GCSE subjects.

Results from the examinations will be released to students as soon as possible and these will also be reported to parents in the end of year report.

If you have any questions regarding the Year 10 internal examinations please do not hesitate to contact the Year 10 Leader, Mrs Turner via year10Admin@helsbyhigh.org.uk.

Yours sincerely

Mr J Cooney
Assistant Headteacher
