WE'RE REALLY PROUD TO ANNOUNCE THAT OUR 2018 PROGRESS 8 SCORE IS +0.25.

The national GCSE progress scores (P8) have been published on 16th October 2018. We are delighted that our excellent +0.25 P8 score indicates that our students on average achieved at least one quarter of a grade more across each of their subjects compared to similar students nationally. Our P8 score is a reflection of the amazing achievements of our students and the hard work of our teachers.

Flying High at Helsby – Make It Grand Final
Following their victory at the regional Make-it Challenge earlier in the year, a group of our Y10 students were invited to the Make It Grand Final in the Concorde Conference Centre earlier this month. During the day, the teams had to design, cost, market, test and plan the manufacturing of an aircraft. They also had to devise a way of transporting the aircraft during the production process without damaging it. Each team also had to present their ideas to the room. In true Dragons Den style, they were then grilled by a team of industry experts and STEM ambassadors.

During the course of the day students also experienced a tour of Concorde. It would have taken 9 seconds on Concorde to get from Manchester to Helsby; just a tad faster than the school minibus!
English Schools Cross-Country Round 1

The inter boys team (Years 9 & 10) won the Cheshire round of the English Schools Cross-Country Cup last week at Walton hall & Gardens in Warrington. They’ve now qualified for the Regional Final on Saturday November 10th hosted by Adams Grammar School near Newport. If they finish in the top four in this competition they will earn themselves a place in the National Final which will be held at Woodbridge School, Suffolk on Saturday 24th November 2018.

Helsby High School Selected to become Young Chamber of Commerce Member

Helsby High School is delighted to announce that we are one of only a few schools in the area to become a Young Member of the West Cheshire and North Wales Chamber of Commerce. The Chamber of Commerce aims to promote and encourage business for our members and others regionally, nationally and internationally to improve commercial growth and prosperity.

Helsby High School’s membership provides our staff and students with exciting new opportunities to enhance teaching and learning by developing links with local businesses.
