Dear Parent/Carer

Your child has expressed an interest in becoming a Student Leader. If successful in their application, this role will require your child to be a dedicated representative of the school community and volunteer some of their time to gain leadership experience.

Your child will have the opportunity to go on a training course to become an anti-bullying ambassador and will volunteer in supporting some of the school's many events.

I would like to draw your attention to the PowerPoint that was presented in last week's assembly. Hopefully this will allow you to discuss the demands of this role with your child and support them in their application process; all of which is detailed in the PowerPoint. The first stage in the selection process will be based on their application form along with evidence of good lesson monitor scores and good attendance and punctuality.

Student Leaders at Helsby High School are hugely important members of our community. We trust that the rigorous application process ensures that we appoint students who are committed and driven in supporting the school to make positive changes that will benefit all that attend.

Yours sincerely

Mrs M. Knox
Year Leader for Year 10
