

EXTRA-CURRICULAR ACTIVITIES / CLUBS - SUMMER TERM 2019

At Helsby High School we passionately believe that the learning journey goes well beyond the classroom. We have a range of lunchtime and after-school activities that students are encouraged to take part in. Experience tells us that the more involved our pupils become in school life the more rewarding they find their time with us. We encourage all pupils to get involved in the life of the school.

Time	Year Group	Activity/Club	Venue	Staff	Additional Information
MONDAY
