

June 2019

Dear Parent/Carer

Year 7 Locker Rental

From September 2019 all Year 7 pupils will have the opportunity to rent a locker for their first year at Helsby High School. The locker could be used to store their P.E. kit during the day.

The cost of the rental is a non-refundable payment of £10 for one year and includes the key to an integral lock. There will be a charge of £10 if a replacement key is required during the period your child has the locker, for example replacing a lost key. The purpose of the lockers is to support Year 6 to Year 7 transition by providing pupils with a space to store their belongings whilst they become confident in their new school.

If you would like your child to have a school locker, please return the slip below along with the payment of £10 by **28 June 2019**. Payment after this date may not guarantee your child a locker. Cheques should be made payable to CWAC Helsby High School with your child's name written clearly on the back. During the July Induction Evening there will be the opportunity for you to hand in your reply slip and payment. Alternatively, you could arrange for the rental payment to be brought into reception during the hours of 8.30am and 4.30pm.

Lockers and keys will be distributed to pupils in the first week of term in September.

Yours faithfully

C Simmonds (Ms)
 Assistant Headteacher
