

FRIENDS OF HELSBY HIGH SCHOOL

Building the Support

A group of parents and existing school friends have met with the aim of developing links to the local area. As well as considering how they may provide support to the school, the group are looking at events that build the relationship and raise funds.

The first proposed event will be a Family Quiz Night on Thursday 14th November in the school hall. More details on this will be available on the Facebook page, Friends of HHS.

Parents, teachers, governors, neighbours, could you offer ideas or any of your time?

Members of the group will be available to speak to at Parent Consultation and Information evenings this term. Or come along to the next meeting which will be on Wednesday 9th October. Alternatively, please don't hesitate to contact us directly or via the Facebook page.

The 2019/20 year has started and the flow of green and black on their way to and from school is common place again after the summer break.

With this new term comes a refreshed opportunity for us to build the spirit of the school in the community.
