

FRIENDS OF HELBY HIGH SCHOOL

AGM UPDATE NEWSLETTER

February 2020

AGM Key Messages

The first Friends of HHS AGM was held on 28th January 2020. Committee members were confirmed with a vacancy remaining for the role leading on Comms and PR.

The committee have received three funding requests:

- Concrete tennis tables and equipment for outside school
- Books and book boxes for form rooms
- Yoga and mindfulness sessions to be provided for students and staff

The tennis tables and book boxes were approved with the group wanting to learn more about the yoga request and provision.

Coming Events

There are a number of events that Friends of HHS can help the school with in the coming two terms, details of these to follow.

The group decided to focus attention on a single fundraiser in the summer term. The outline idea is to have a date where the school is open for students, parents and the local community with marquee, food and music. There is an option of linking this to the school's 70th year anniversary. The group will continue to look at this proposal and follow up with further details. Provisional date of Friday 5th June, 4pm onwards.

Date of next meeting Wednesday 11th March 6pm.
