

Year 13 Results Day - Tuesday 10th August 2021

It was wonderful to see the smiles on faces at Helsby High School this morning as Year 13 students collected their A-Level and Vocational Qualification results. Despite all the challenges they have faced over the past 18 months, the students have consistently faced up to them with determination and resilience and were rewarded with very well-deserved success when they opened their envelopes to discover their results. As a result of all their hard work and their levels of performance on their Sixth Form courses, students have been able to progress on to the next stage of their lives, whether it be university courses, apprenticeships or directly into employment.

Headteacher, Martin Hill said: “Throughout all the changing challenges of the pandemic, including school closures, remote learning and examination cancellations, one thing that has been constant has been the calm and mature way in which this special group of young people have responded at every stage. They have been an example to all and hence it has been so special to see all their hard work rewarded. They have completed all of their courses, thoroughly deserve their results are in a very strong position to move on from our Sixth Form. We wish them all the very best for the future as they do so.”

Director of Sixth Form, Ian Duffell commented: “Nobody could pretend that the students have had the full Sixth Form experience over the last year or so, but as a group they have supported each other at every stage and should be very proud of all their achievements. We are certainly very proud of them and I know that all their teachers would want to join me in wishing them the very best for the future.”

In recent years the Sixth Form has consistently been one of the highest-performing Sixth Forms in the area and this high level of performance has continued in 2021. Students achieved impressively across the full range of over 30 A-Level and Vocational Qualification courses on offer, with a large number of students achieving A or A* (or equivalent grades) in all of their subjects. Amongst these were 3 students who achieved the top A* grade in 4 different A-Level courses: Emilia Lewis, Katie Stirling and Bronwen Hyde, with Bronwen now very much looking forward to studying Law at Oxford University in September.

To our Summer 2021 Year 13 students: Thank you for all you have contributed to the school, many congratulations on your results and very best wishes for whatever now lies ahead - from everybody connected with Helsby High School.
