

Ryan Hall 10DTO

Written by Ryan's friends

Ryan loved being with his friends and so he loved being in school. He would leave early for school and was always one of the first in his form room in a morning. He would always do the right thing, never had a bad word to say about anybody and never had a single detention. He was always so positive and enthusiastic, full of energy and put everything into all that he did.

Ryan got on with everybody and was such a good friend to have. He loved playing football with friends and had a wonderful ability to get covered in mud even when everybody else stayed clean. His biggest passion though was for cars and Formula 1 motor racing. He knew everything about F1 and taught his friends all about it. His favourite subject in school was Design and Technology and he was going to be an engineer, if not in F1 then with the Royal Navy.

Ryan cared for everybody and he shared everything that he had, including his never-ending supply of lollipops and sweets. Ever since he was at Horn's Mill Primary School, Ryan supported local charities and he would raise money to buy Christmas presents and Easter eggs, wrap them and take them round to residents of local care homes. He never used to boast about what he did and never mentioned to anybody that he had been awarded Frodsham's 'Young Person of the Year' in 2016 for all his kind work in the local community.

We will all miss Ryan so very much, but feel so fortunate to have been able to call him a friend.

Sadly, Ryan passed away on Wednesday 19th January.

“Ryan was quiet and determined, a model student in every way. More importantly though he was a kind and loving son and brother and a wonderful friend to so many students in his year group. Students and staff alike will miss greatly his sense of fun and his enjoyment of everything he did. He leaves a space in our classrooms that can never be filled, but a school community that is so much richer for having known him. We feel privileged that he was one of our students and we will always remember him.”

Martin Hill, Headteacher

“The death of Ryan is such a devastating loss to our family. He will be missed every single day for the rest of our lives. When you think of Ryan, always think of the good times. Thank you for all the love and support from the community, especially from Helsby High School and Horn’s Mill Primary School. Gone but will never be forgotten.”

Jill Rowland, Ryan’s Mum
