<b>Thursday 10<sup>th</sup> March</b>	Contingency Session	Contingency Session
<b>Friday 11<sup>th</sup> March</b>	Contingency Session	Contingency Session

**NOTE:**

Students taking GCSE French or GCSE German will conduct the Listening Component of their PPE in lessons in the week commencing 7<sup>th</sup> February.

Helsby High School has been randomly selected to conduct the NFER National Reference Tests for English and Mathematics. This is an external assessment that is designed to assess a random cohort of students to develop an understanding of the impact of the pandemic on performance in English and mathematics, as well as providing valuable data which can then be used to help set standards and inform GCSE awarding in future years. We will write to those students involved separately with further details.
